The object for which it is intended is perfectly to preserve corpes from decay for any length of time, without being any wise offensive to delicacy, or unseemly in ap pearance. The value of such a machine cannot be estimated but by those tender feelings which long for the preservation of a de parted friend; and among those who have been compelled to us it on account of the fast decaying of their friends, a general and pleasing satisfaction has been given; for cone can speak too highly of such an important and useful invention. Benevolent institut tions and all others who desire to delay funerals until the arrivaof distant relatives, or to make suitable preparation for interment, can, by use of this machine, preserve them for weeks in a perfectly inoffensive state, allowing all to gaze upon them. The undersigned has secured the patent for Marion county of his valuable and much needed apporatus. It can be used in the best room in the house without the least inconvenience, and if it does not give satisfaction, no charge will be made. This appara tus can be seen and will be applied by the undersigned, Undertaker and Goffin Maker, at his old stand, of the Eagle, Main street, N.
